What do I get with my ArcGIS 60-day free trial?

- ✓ Access for up to 5 named users.
- ✓ A suite of **ready-to-use apps** that run on browsers, desktops, and mobile devices.
- ✓ A **Living Atlas of the World** with maps and data, including access to foundation content from Esri, on thousands of topics.
- ✓ A 60-day trial of **ArcGIS for Desktop**, which includes ArcGIS Pro, for up to 5 named users.
- ✓ 200 ArcGIS Online **service credits** that can be used for data storage, premium data access or performing geocoding and analysis.
- ✓ Access to **ArcGIS for Developers**. Development **only plans** are also available.
- ✓ Access to free trials of third-party apps and data, available from the **ArcGIS Marketplace**.

What happens at the end of the trial?

Once you purchase an ArcGIS Online annual subscription at the end of your trial, all the work you've done during the trial becomes part of your purchased subscription. You won't lose anything you have built!

Please note: Trial subscriptions from multiple individuals within an organization and the content they create during the trial cannot be merged into a single organizational subscription.

Setup Your Organization

Thank you for logging in as the administrator of this organization. Please finish setting up your organization by providing the important information below.

Organization name

Specify the name of your organization as you'd like it to appear on the home page and any correspondence with the members of your organization. This name may be modified later as necessary. The name may contain up to 55 characters.

Organization short name

Please specify a short name – an acronym or abbreviation – for your organization. This text uniquely defines the URL to your organization. Carefully consider the name you want to use as it cannot be changed later. The short name may contain up to 16 alphanumeric characters, including hyphens.

The URL to your organization's home page will be:

Language

Please choose the default language for members of your organization. The choice of language determines the language in which the user interface is presented as well as the way time, date, and numerical values appear. Individual users will be able to customize this choice by visiting their profile page. If you choose Browser Default (and you allow anonymous access), anonymous users will see ArcGIS Online in the locale of their browser. Signed-in users who have configured their language in their profile will display in that language.

Language:

Region

Choose a region to determine the default basemap gallery, the default basemap, and the default extent for new maps for your organization. The region you choose also controls the scalebar, measure tool and routing units. Choosing United States sets the units to miles and feet; any other region choice, including World, sets the units to meters and kilometers.

Note that you can also specify your organization's basemaps and extent by editing the appropriate settings in the Maps tab.

Esri Customer Service Esri - Your Free ArcGIS Trial - Dear Fevronia: Thank you for choosing to try ArcGIS for 60 days. Just a reminder, your 60-day trial

Το ένα περιέχει οδηγίες για το πώς θα κατεβάσετε το ArcGIS for Desktop και το ArcGIS Pro παρέχοντας και τον κωδικό (evaluation code) που θα χρησιμοποιήσετε για την ενεργοποίηση του λογισμικού ArcMap, όπως φαίνεται και στην εικόνα:

Dear Fevronia:

Thank you for choosing to try ArcGIS for 60 days.

Just a reminder, your 60-day trial of ArcGIS includes the following:

- ArcGIS Online
- ArcGIS for Desktop
 - ArcMap
 - ArcGIS Pro - Please note that ArcGIS Pro does not require an authorization code. It does require a separate set of activation instructions that can be found at trial.arcgis.com.
- Additional ready-to-use apps

Here is your software authorization code for ArcMap: **EVA237820808**

To complete your software installation, follow the instructions below:

Download, Install, and Authorize

1. You must first download ArcMap onto your computer. Visit trial.arcgis.com to find the download if you haven't done so already.
2. After you have downloaded and placed the installation files into the destination folder of your choice, launch the setup.exe file if the program does not launch automatically.
3. When prompted, select **ArcGIS for Desktop Advanced (ArcInfo) Single Use**. Click **Authorize Now**.
4. The Software Authorization Wizard will walk you through the rest of the authorization process.
 - a. In the **Authorization Options** dialog box, check the **I have installed my software and need to authorize it** option and then click **Next**.
 - b. In the **Authorization Method** dialog box, check the **Authorize with Esri using the Internet** option and then click **Next**.
 - c. Complete the required fields for both of the **Authorization Information** pages and then click **Next**.
 - d. In the **Software Authorization Number** dialog box, enter authorization number **EVA237820808** and then click **Next**. (This authorization number can be shared with four additional people.)
 - e. In the **Authorize Software Extensions** dialog box, select **I have authorization number(s) to authorize one or more extensions**. Insert your authorization number next to the extensions you are interested in and then click **Next**.
5. Your ArcMap trial software will now be authorized for use.
