Learning support,
feedback, exposure

On the Job Experience

Consult, Design, Advise, Implement,
Operate, Optimize, Support, Remediate

Hear it from
the participants

Seminars

„I liked the way topics went from theory to practice and interactive games! It seems to me that soft skills are every engineer's weak spot and something we lack training at”.

Seminars

„Nearly everything about the first seminar was perfect - trainers' knowledge, attitude, and the atmosphere they created, the way they encouraged people to think creatively to find out the solution and many others. Overall, I would highly recommend this seminar to anyone who is starting their professional career in networking.”

CCNA Bootcamp

“(the setup) made me feel like this was much more than just a bootcamp; it was almost like a family camping and we were the kids being taught how to hunt” – Ivana from Serbia

CCNA Bootcamp

“...highly professional, patient, passionate instructors.
It was a great pleasure to listen to them.” - Pavel from
Ukraine

Professional coaching

„The trainer has been a great host during both sessions, she kept us really interested in the presented topic and made the parts of the sessions that required active engagement from our side really fun and educational at the same time.“

Incubator @ Greece

2017-2018

Last edition we had 9 Greeks:

- 3 x NTUA, Athens
- 2 x Aristotle University of Thessaloniki (AUTH)
- 2 x Democritus University of Thrace (DUTH)
- 1 x Alexander Technological Educational Institute of Thessaloniki
- 1 x National and Kapodistrian University of Athens

5 of them were presented the offers, although one declined. 4 started Graduate program last September.

2018-2019

This edition we have 21 participants from Greece – it is the 2nd biggest country in terms of participation in the program (1st is Poland):

- 5 x Democritus University of Thrace
- 4 x University of Patras
- 4 x Aristotle University of Thessaloniki (AUTH)
- 3 x NTUA, Athens
- 1 x Technological Education Institute of Sterea Ellada (Central Greece)
- 1 x Harokopio University of Athens
- 1 x University of Macedonia
- 1 x University of Thessaly, Lamia
- 1 x University of Pireus Greece
