Made possible by YOU!

GSoC 2018

May - August

summerofcode.withgoogle.com

What is GSoC?

Annual program organised and funded by Google, focused on bringing more student developers into open source software development

How does it do that?

For 3 months, selected students, get guidance from skilled mentors in order to fix bugs and add features to open source projects

Why should I apply?

It's a lifetime experience!

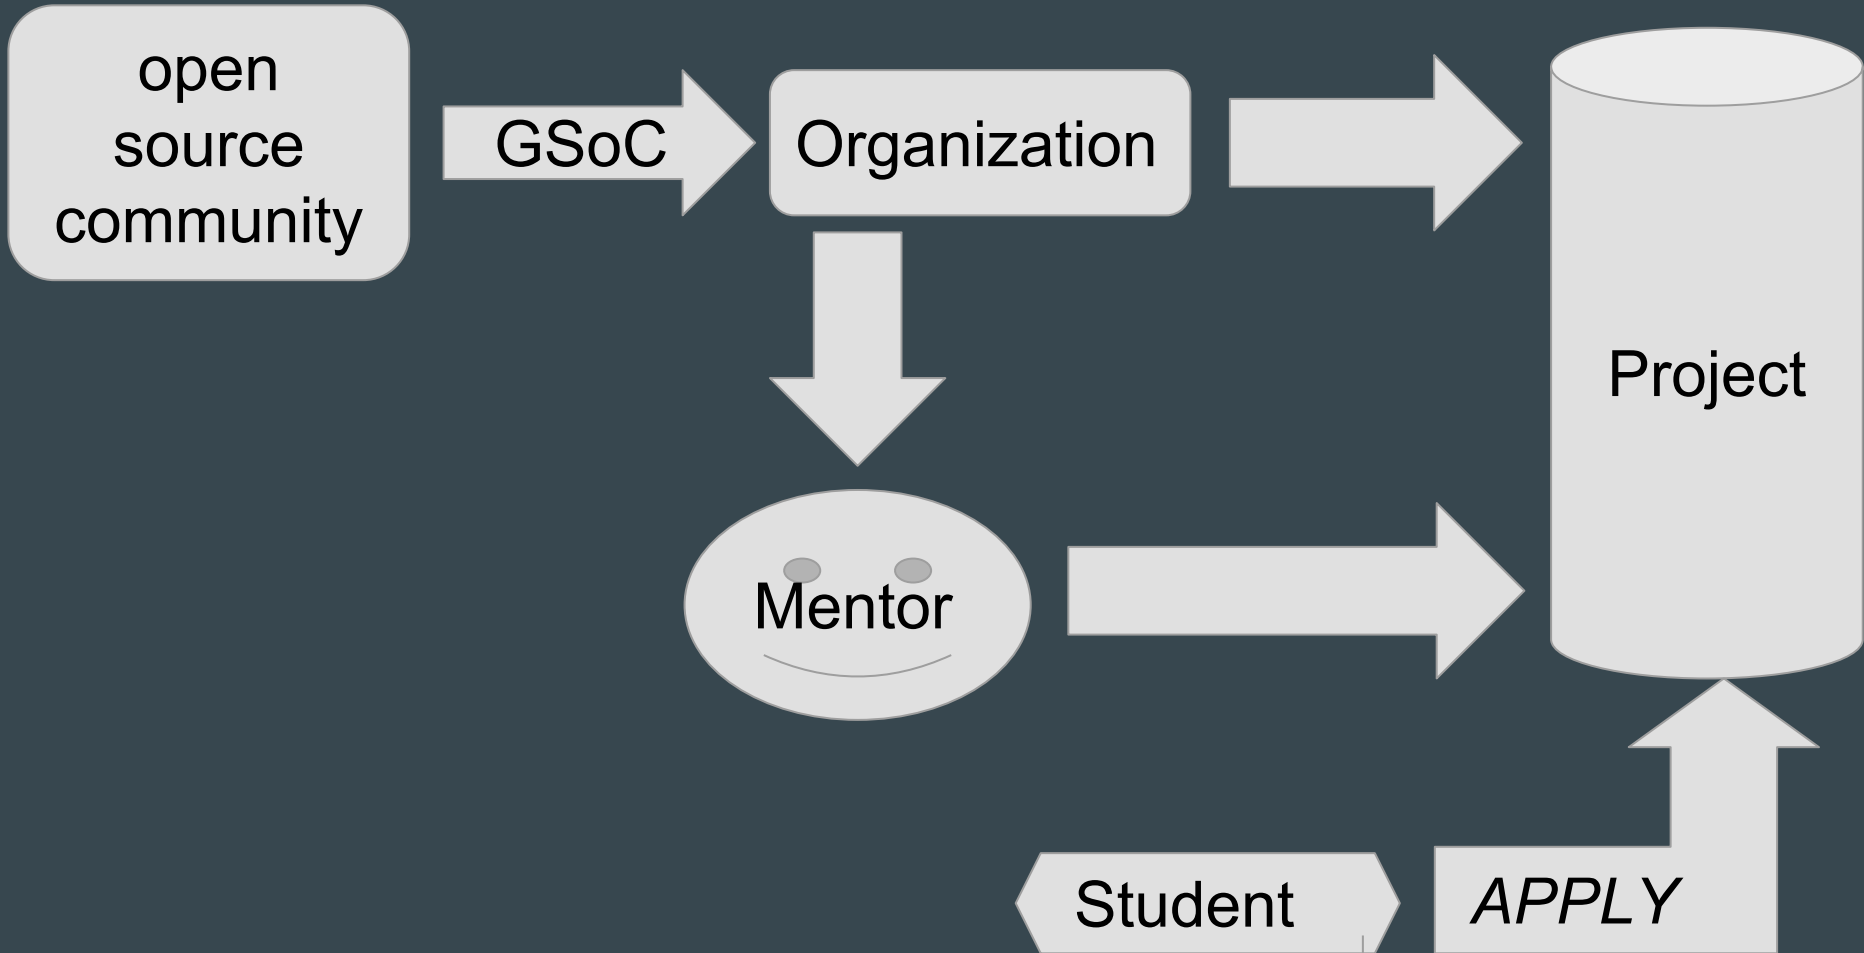

You are going to work on an awesome open source project, learn how to work with a team, get a mentor and get paid for your work!

Who?

- 200+ open source **organizations**
- 1000+ **projects**
- 2500+ **mentors** from 66 countries

- 29 Greek students in GSoC 2017

Find more in <https://opensource.googleblog.com>

Timeline (1/2)

- Student Research
- Organizations application & evaluation
- Communication
- Student application

Timeline (2/2)

- Community bonding period
- GSoC Coding (Phase 1)
- Phase 1 Evaluation & Payment
- Phase 2 Evaluation & Payment
- Final Evaluation & Payment

Guidelines (1/2)

- 18+ with student status
- Participate no more than 2 times
- Working hours (~40 hours/week)
- Vacation & exams
- Payment

Guidelines (2/2)

- Start early
- Application (for multiple projects)
 - Project proposal incl. implementation and timeline
 - Proof of enrollment
 - Tax documentation (provided by Google)
- Community interaction, meetings and blog posts!

Get started (1/2)

- ✓ Join the community
- ✓ Meet the people
- ✓ Write the code
- ✓ Talk about the things that hold you back!

Get started (2/2)

→ Check out the organizations

<http://summerofcode.withgoogle.com/organizations>

→ Join communication channels (ML, IRC, github)

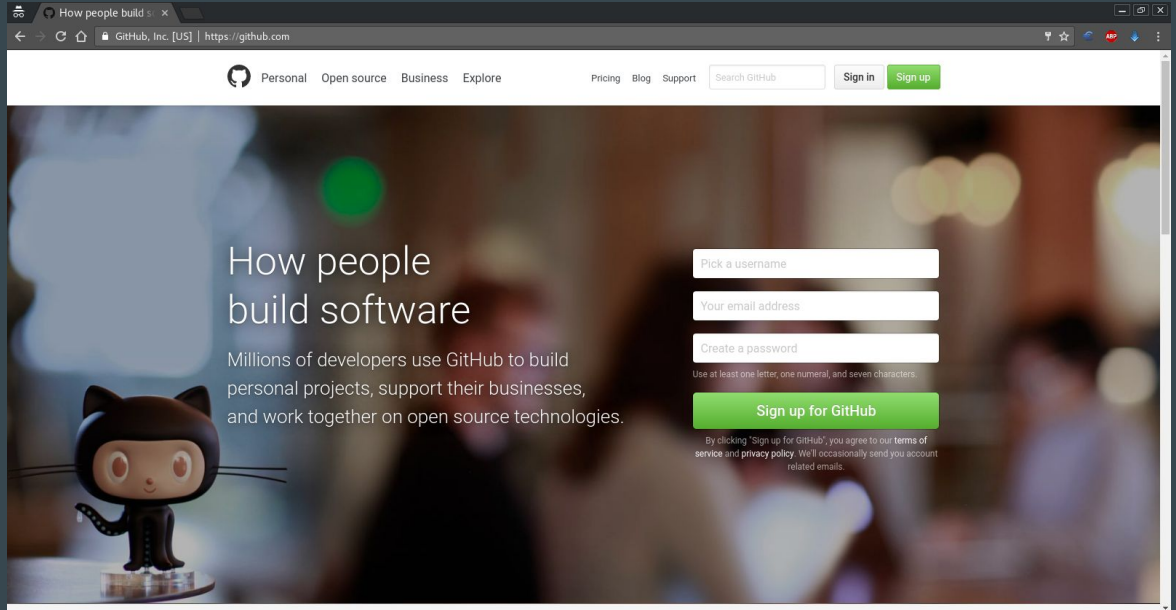

→ Talk to mentors

→ Get your hands dirty with the code

<http://summerofcode.withgoogle.com/projects/>
